RE: MAP Order # 43512 and 43506

Dear Mr. Young:

MAP International is pleased to make a generous donation to and through Pure Works Foundation to Philippine Relief and Development Services for the benefit of victims of Typhoon Haiyan, (Yolanda) in the Philippines.

We have acted on the request of Bishop Efraim Tendero, of the Philippine Relief and Development Services who directed us to give the donation through the Pure Works Foundation, the donation from partners of MAP International for the people of the Philippines for disaster relief of Typhoon Haiyan, aka Typhoon Yolanda.

The said donations will be shipped to Manila and the wholesale value of the medicine is \$656,316.56.

These humanitarian donations will not be sold and should be dispensed free to the calamity victims and therefore has no commercial value to you.

It is our joy to partner with you in helping the people in need through this donation.

Sincerely,

A handwritten signature in black ink that reads 'Kipp Branch'. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
